PET CREMATORIUM

Run *by* pet lovers *for* pet lovers

To Whom It May Concern: In the event of the death of the above named human(s) and/or pet(s) I instruct you to arrange for the scattering of their ashes (listed above) in the gardens at Dignity Pet Crematorium.

I have either already reserved a **pet / human / family** spot (please specify) at Dignity **OR** my pet's ashes are already in the gardens at Dignity.

Please provide an area reference:

NB. If you do not know the area reference please detail the name(s) of any ashes you have reserved a spot for or that are already in our gardens

Reserved for / Already in Gardens (*Delete as appropriate*)

NAME(S):

I understand that if I have not reserved a spot then Dignity will offer my Next Of Kin the opportunity to choose the spot otherwise the ashes will be scattered in a place chosen by Dignity.

EXTRA SERVICES

(Delete as appropriate)

- I would like a White Dove Release at the scattering of the ashes. I understand there is an extra fee for this service (paid separately to the Dove release company)
- I would like a Celebrant Remembrance Service at the scattering of the ashes. I understand there is an extra fee for this service (paid separately to the Celebrant)
- I would like a Memorial. I have already provided Dignity with the details for the memorial. I understand there is an extra fee for this service.

NB. We recommend that you write down any additional information needed for the services above such as preferred hymns, poems, readings or songs for a Remembrance Service or full details of the Memorial you would like (including inscription). You can attach them to your copy of this letter to help your family send you off in the way that you want.

If I have not already paid for the above Services I authorise my estate to pay Dignity Pet Crematorium any fees due in order for my wishes to be carried out. Fees due will be calculated from Dignity's price list in operation at the time of needing the service (with the exception of any fees that have been pre paid).
