**NB. The human ashes scattering service is only available for clients of Dignity Pet Crematorium. i.e., pet owners who have had their pets individually cremated at Dignity Pet Crematorium. We regret that we cannot accept human ashes into our gardens for non-pet owners or for pet owners that have had their pet cremated elsewhere. If you would only like your pet's ashes scattered at Dignity Pet Crematorium then we can also accept ashes from pets that have been individually cremated at another pet crematorium as long as they are a member of the APPCC. Visit [www.appcc.org.uk](http://www.appcc.org.uk) for a list of members.**

**EXTRA SERVICES**

(Delete as appropriate)

- I would like a Memorial. I have already provided Dignity with the details for the memorial. I understand there is an extra fee if the cost of the memorial is not already included in my chosen scatter option.
- I would like a White Dove Release at the scattering of the ashes. I understand there is an extra fee for this service (paid separately to the Dove release company).
- I would like a Celebrant Remembrance Service at the scattering of the ashes. I understand there is an extra fee for this service (paid separately to the Celebrant).

**NB. We recommend that you write down any additional information needed for the services above such as preferred hymns, poems, readings or songs for a Remembrance Service or full details of the Memorial you would like (including inscription). You can attach them to your copy of this letter to help your family send you off in the way that you want.**

If you have not already paid for the above Services, I authorise my estate to pay Dignity Pet Crematorium any fees due in order for my wishes to be carried out. Fees due will be calculated from Dignity's price list in operation at the time of needing the service (with the exception of any fees that have been fully pre-paid).
